

Welcome...

We don't have all the answers and don't expect you to either. We do know that God loves us and calls us to love one another. Join us as we walk the pilgrim's path of life together.

St. Mary's is a welcoming and caring community of people from all walks of life. We seek to weave a unique pattern of worship, joyful and inspiring music, pastoral care, fellowship, Christian education, social action, and youth programs. The resulting tapestry of our common life reflects the textures of the past as well as a newfound energy that helps us to continue to grow in our life in Christ.
